#### 5. What is the benefit payable in case of the life assured's demise? (Death Benefit)

Coverage Options	Death Benefit
Option: Life Benefit	Sum Assured as a lump sum amount is payable on the death of the life assured, during the term of the policy. However, the nominee has an option to receive level monthly instalments over a period of 5 years. The policy terminates once the full amount of benefit is paid out.

#### 6. Do I get a discount on renewal premiums, if paid in advance?

We will offer discount on renewal premium amount within the same financial year for the premium due in that financial year; provided the premium due in one financial year will be collected in advance in earlier financial year for a maximum period of three months in advance of the due date of the premium. The premium collected in advance will be adjusted on the due date of the premium. Applicable commission will be payable after adjustment of the premium on due date of the premium.

The discount rate applicable for the quarter will be calculated on 5-year G-Sec bond yield (rounded to nearest 5 bps) as at beginning of the quarter. The same discount rate will be applicable to all the advance premiums being paid by the policyholder during that quarter. The discount rate will be calculated from advance premium paid date to premium payment due date (in complete months).

#### 7. What do you receive at the end of the policy term? (Maturity Benefit)

There is no maturity or survival benefit payable under this policy. This is a non-participating pure term insurance policy.

##### How does this plan work? (Illustrative Example)
