No discount will be offered if premium is paid within one month prior to premium due date. The same discount rate will be applicable to all the advance premiums being paid by the policyholder during that quarter. 10. Can I get a loan in this policy?

Yes, you may benefit from a loan facility under this policy.

The amount of the loan that you may avail at any point of time will depend on the surrender value. You may avail a loan amount up to 80% of the available surrender value. The minimum loan amount should be Rs.25,000.

The basis used for the calculation of interest rate on loan is 10-year G-Sec rate as at the end of last financial year plus the absolute margin of 250 basis points rounded up to the nearest 50 basis points. The derived interest rate will be applicable in the succeeding financial year. Currently, the interest rate on loan for FY 2025-26 is 9.5% p.a. (simple). It is arrived at by adding a margin of 250 basis points on the effective annual 10-year G-Sec and rounding up to the nearest 50 basis points (9.5% ~ 6.69% + 2.50%).

Any change in the methodology of calculating the loan interest rate shall be subject to the approval by the authority.

As and when the loan principal along with accrued interest exceeds the surrender value for paid-up cases, the policy will be compulsorily surrendered and outstanding loan along with accrued interest will be recovered from surrender proceeds or paid-up value. In case the policy becomes due for any survival benefit or income benefit or maturity benefit or surrender benefit or becomes a claim by death, insurer shall become entitled to deduct the amount of the loan or any portion thereof which is outstanding, together with all interest from the policy proceeds.

For in-force policies policyholder will be informed to repay the loan partially or completely when the outstanding loan amount including interest exceeds 90% of the surrender value.

20. You are prohibited from accepting rebate in any form

Prohibition of Rebate: Section 41 of the Insurance Act, 1938, as amended from time to time, states

- 1) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person, to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the Policy, nor shall any person taking out or renewing or continuing a Policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.
- 2) Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.

21. What happens in case of submission of information which is false or incorrect?

A Policy may be called into question as per the provisions of S.45 of Insurance Act, 1938. A simplified version of the provisions of S. 45 is provided below:

1. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 yrs from
 - a) the date of issuance of policy or
 - b) the date of commencement of risk or
 - c) the date of revival of policy or
 - d) the date of rider to the policy whichever is later.
2. On the ground of fraud, a policy of Life Insurance may be called in question within 3 years from
 - a) the date of issuance of policy or
 - b) the date of commencement of risk or
 - c) the date of revival of policy or
 - d) the date of rider to the policy whichever is later.

For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

3. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:
 - a) The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
 - b) The active concealment of a fact by the insured having knowledge or belief of the fact;
 - c) Any other act fitted to deceive; and
 - d) Any such act or omission as the law specifically declares to be fraudulent.
4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak.
5. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Insured / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the policyholder, if alive, or beneficiaries.

6. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the policy of life insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance policy would have been issued to the insured.
9. The insurer can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
