## Bal Bhavan School team excels

**BHOPAL:** IndiaFirst Life Insurance, which has embarked on a unique Happy India project to encourage young change makers, has picked up the Top 25 teams from across the country after a tough screening process which has seen over 15,000 students participating. Team J from Bal Bhavan School, Bhopal figures among the top 25 teams selected. They presented their idea on School Sanitation. Happy India received 1042 ideas from students between 11 to 16 years old with focus on key areas such as Education, Health, Energy Conservation, Security, Environment Protection and Financial Inclusion. The initiative is being supported by Bank of Baroda and Andhra Bank, while the validation and process authentication is being overlooked by KPMG in India - Process Evaluators, the Knowledge Partners.

**Bal Bhavan students selected by IndiaFirst Life Insurance participate in Bal-Panchayat on Friday.**
