IndiaFirst Life launches new plan

Hyderabad: IndiaFirst Life Insurance has launched its IndiaFirst Cash Back Plan to help its customers gain big joys with small savings. With this new plan, customers can start investing with as low as Rs 522 a month and see their money grow steadily.

The key feature of the plan is that the customer can enjoy long term investment benefits even after paying for a limited period only, proving it to be a customer friendly product. The customer will reap the benefits in regular intervals.
