

Mumbai scores a sixer in Happy India Project

IndiaFirst Life Insurance, which has embarked on a unique Happy India project to encourage young change makers, has picked up the Top 25 teams from across the country after a tough screening process which has seen over 15,000 students participating. Six teams from Mumbai - Fantastic 4, Genius Minds of Innovation, Team Challengers from Ryan International School, We change, and Team Next from Podar International School and The Spunk from D. G. Khetan International School & B. K. Gadia 'A' Level Jr. College. - figure among the top 25. The initiative is being supported by Bank of Baroda and Andhra Bank, while the validation and process authentication is being overlooked by KPMG in India - Process Evaluators, the Knowledge Partners. Announcing the final 25 team list, Mohit Rochlani, Chief Marketing Officer IndiaFirst Life Insurance said "We are overwhelmed by the response from school students across the country. Our hearty congratulations to all the 6 teams - we are confident of the city of Mumbai supporting these students in their endeavor."
