This plan may include the 'Life Assured', the 'Policyholder', the 'Nominee' and the 'Appointee'.

Who can be a Life Assured'?

Life Assured is the person, on whose life the plan depends. On the life assured's death, the benefit is paid out to the Nominee/ Appointee/ Legal Heir and

Minimum age at the time of applying for the plan	5 years as on last birthday
Minimum age at the time of maturity of the plan	18 years as on last birthday
Maximum age at the time of applying for the plan	65 years as on last birthday
Maximum age at the time of maturity of the plan	75 years as on last birthday

Life cover for the minor life starts at the end of two years from the date of commencement of the policy or monthly policy anniversary after attainment of age 18 years whichever is earlier.

Who is a Policyholder?

Policyholder is a person who holds the plan. The policyholder may or may not be the life assured. To be a policyholder, you must be at least 18 years as on your last birthday at the time of applying for the plan.

Who is a Nominee?

Nominee is the beneficiary under the plan who receives the death benefit in case of the life assured's demise. The nominee is appointed by you, the policyholder. The nominee can even be a minor (i.e. below 18 years of age).

Who is an Appointee?

Appointee is the person whom you may nominate at the time of buying the plan in case your nominee is a minor. The appointee takes care of the plan in your absence.

4. What are the premium paying modes available?

Regular Premium	Monthly, Six monthly, Yearly
Limited Premium	Monthly, Six monthly, Yearly
Single Premium	Onetime payment only

5. How much can you invest?

Minimum Investment	Monthly	Six Monthly	Yearly
Regular Premium	₹ 1,000	₹ 6,000	₹ 12,000
Limited Premium	₹ 1,250	₹ 7,500	₹ 15,000
Single Premium	-	-	₹ 45,000
Maximum	₹ 20,500	₹ 1,25,000	₹ 2,50,000

6. How is the sum assured calculated?

The calculation of the sum assured depends on the type of the plan you hold.

Minimum Sum Assured

	Age under 45 years while applying for the plan	Age 45 years and above while applying for the plan
Regular and Limited Premium	(10* Annualized Premium) or (0.5 * Plan Term * Annualized Premium)] whichever is higher	(7* Annualized Premium) or (0.25 * Plan Term * Annualized Premium)] whichever is higher
Single Premium	125% of single premium	110% of single premium

*Note: The Death Benefit at any point of time will not be less than 105% of the total premiums paid.

Maximum Sum Assured

The maximum sum assured is set at 'X' times the annualized/ single premium for regular premium, limited premium and single premium plans. Here 'X' will be taken from the table below -

	Age band while applying for the plan (years)				
	Up to 44 years	45-50 years	51-55 years	56-60 years	61-65 years
Regular Premium	40	30	25	20	11
Limited Premium	25	15	11	11	11
Single Premium	5	5	1.1	1.1	1.1

7. What do you receive at the end of the plan term?

You receive the fund value at the end of the plan term.

What are the payment options at the end of the plan term?

On maturity you may choose to -

- Receive the entire fund value as a lump sum payment
- Postpone/ re-schedule your maturity payment

through the 'Settlement Option'

You may choose to receive this payment in equal installments over a period of time specified by you. This period is called the **Settlement Period**. During this period, the fund management charges will be applicable. The policyholder can ask for the balance fund value at any time during the settlement period.

When does the settlement period start?

Your settlement period starts from the maturity date and can be applicable for a maximum period of 5 years. However, you have to opt for the Settlement Option at least 3 months prior to the date of maturity.

Can you secure your funds during the settlement period?

You can choose your investment into a Liquid1 Fund (or any other fund allowed under this product) before you enter the settlement period.

Does the life cover benefit continue during the settlement period?

No, there is no life cover during the settlement period. In case of the life assured's demise, we will pay the fund value as on the date of intimation of death, to the Nominee/ Appointee/ Legal Heir.

Who bears the investment risk during the settlement period?

The investment risks will be borne by the policyholder during the settlement period.

Are you allowed to make switches during the settlement period?

No. Switches are not allowed during the settlement period.

8. What happens in case of the Life Assured's demise?

In the event of the life assured's demise while the plan is in force or from the due date of first unpaid premium till the expiry of the grace period the Nominee/ Appointee/ Legal Heir, as the case may

be, will receive a lump sum amount. The lump sum amount would be either the fund value or sum assured, whichever is higher. The amount will be paid out to the appointee if the nominee is a minor.

In case of the life assured's demise, a lump sum amount equal to the higher of the paid-up sum assured or fund value will be payable to the Nominee/ Appointee/ Legal Heir while the plan is in the paid-up status.

However, at any point of time, the death benefit will not be less than 105% of the total premiums paid during the plan term.

In case of the life assured's demise, where the Life Assured is a minor and the commencement of life cover is yet to begin, the death benefit will be equal to the Fund Value.

What is the impact of partial withdrawals on death benefit?

The sum assured/ paid up sum assured will be reduced by the amount of partial withdrawals based on the following

Below 60 years of age	Sum assured/ Paid up sum assured is reduced by an amount equal to the partial withdrawals made during the 24 months just before the death.
60 years of age and above	Sum assured/ Paid up sum assured is reduced by all partial withdrawals made from 24 months just before attaining 60 years and all subsequent Partial Withdrawals.

9. Tax benefits under this plan

Currently you are eligible for the below mentioned tax benefits. These are subject to change from time to time as per Government Tax Laws. However, you are advised to consult your tax consultant.

Tax benefits on the premiums paid

You are eligible for tax deductions up to Rs. 1,50,000 on premiums paid under Section 80C of the Income Tax Act, 1961.

Tax benefits on the maturity amount and withdrawals

You can get full tax benefits on the maturity amount and the withdrawal amounts under Section 10(10) D, of the Income Tax Act, 1961.

Death Benefits

Death benefits are tax free under section 10(10) D of the Income Tax Act, 1961.

10. What are the different fund options available?

We provide you with 4 fund options. You may choose what percentage of premium you would like to allocate to each of these funds.

Fund name	What does the fund do?	Asset allocation			Risk profile
		Equity	Debt	Money market	
Equity1 (SFIN:ULIF009010910EQUY1FUN D143)	Provides you high real rate of return in the long term by investing more in equity investments. There is a high probability though, of negative returns particularly in the short term.	80% to 100%	0%	0% to 20%	High
Balanced1 (SFIN:ULIF011010910BALAN1 FUND143)	Provides you investment returns that exceed the rate of inflation in the long term. There is a moderate probability though, of negative returns in the short term.	50% to 70%	30% to 50%	0% to 20%	Medium
Debt1 (SFIN:ULIF010010910DEBT01FUN D143)	Provides you investment returns that exceed the rate of inflation in the long term. There is a low probability of negative returns in the short term.	0%	70% to 100%	0% to 30%	Medium
Value (SFIN:ULIF013010910VALU E FUND0143)	Provides you moderate to high real rate of return in the long term by investing more in equity investments. We will try to provide long term capital appreciation through investment in equity shares that are relatively undervalued to their expected long term high earnings and growth potential. There is a high probability though, of negative returns in the short term.	70% to 100%	0%	0% to 30%	High

11. How do you move from one fund to another?

You can move from one fund to another by switching or by redirecting your premium. Switching is not allowed in case the life assured is less than 18 years old.

What is switching?

Under switching you may transfer some or all your units from one unit linked fund to another.

Are there any limits for switching?

Minimum switching amount	₹5,000
Maximum switching amount	Fund value

What are the charges for switching between funds?

You are allowed to make only two switches in a calendar month. Switches are free of charge. However, the unused free switches cannot be carried forward to the next calendar month.

What is premium redirection?

Under premium redirection you can redirect your future investments towards a different fund or set of funds. However, under the premium redirection option your past allocation of premium does not change.

Example: At the age of 30, you choose to invest your premiums in an Equity1 Fund, which is prone to high returns in the long term and high risk in the short

term. After five years, you have additional responsibilities and do not wish to take high risks with your investments. You can change your investment preference by redirecting future premiums to Debt1 or Balanced1 Fund which have low to medium risks in the short term.

12. How can you protect your investments from market fluctuations?

You can protect your investments from market fluctuations by transferring your money to a 'Liquid1' Fund during the last three years of your plan. A reminder about this option will be sent to you three years prior to the end of your plan term with further details about the same.

How does the transfer of investments to the Liquid1 Fund actually happen?

3% of your investment in each of the plan funds will be automatically switched to the Liquid1 Fund in each of the last thirty six monthly anniversaries prior to end of the plan term.

Does the proportionate allocation of remaining funds change on transfer to the Liquid1 Fund?

No. When we transfer your funds to the Liquid 1 Fund, the ratio in which your remaining funds are allocated does not change.

How are funds deployed under the Liquid1 Fund?

Fund name	What does the fund do?	Asset allocation			Risk profile
		Equity	Debt market	Money	
Liquid1 Fund	Provides steady investment returns achieved through high investment in money market securities. There is a low probability of negative returns in the short term	0%	0% to 20%	80% to 100%	Low

13. Are partial withdrawals allowed?

Yes. You may access your money in case of any financial emergency, by withdrawing partially. Partial withdrawal is allowed after life assured attains age 18 years.

Regular/ Limited premium	If you have paid your premiums for the first 5 years, you can withdraw your money partially after the fifth plan year.
Single premium	You can withdraw after completion of the fifth plan year.

Are there any limits on partial withdrawals?

Minimum withdrawal	₹5,000
Maximum withdrawal - Regular/ Limited premium	Up to 25% of the fund value, only if your fund is left with a minimum balance equal to 110% of your annual premium after the withdrawal
Maximum withdrawal - Single premium	Fund value after the withdrawal should not be less than ₹45,000

Example: You can withdraw up to ₹20,000 if you pay an annual premium of ₹15,000 and have accumulated a fund value of ₹80,000 over a few years (25% of the fund value).

There are no partial withdrawal charges applicable.

How are charges recovered?

Premium allocation charges are recovered from the premium you pay us. It is deducted upfront from the premium before any other charge deduction or investment allocation. In case of other charges we will recover the same by cancellation of units at the prevailing unit price.

The cancellation of units will be effected in the same proportion as the value of units held in the fund.

Is Goods and Service tax applicable? If yes, who bears it?

Yes. Goods and Service Tax is applicable on charges as per Government Tax Rules. The Goods and Service tax will have to be borne by you, the policyholder. These tax laws are subject to change from time to time.

15. Your options if you miss paying your premiums

If you miss paying your premiums within first five plan years, you are entitled to use one of the following options -

Option 1: Revival of the plan within a period of two years, or

Option 2: Complete withdrawal from the plan without any risk cover

In case you have not paid your premiums, we will send you a notice within 15 days from the date of expiry of the grace period and ask you to use the options mentioned above, within 30 days. You have to use the preferred option within 30 days from the date of receipt of notice. If we have not received any communication from you at the end of 30 days from the receipt of the notice by you, we believe you have exercised option 2 i.e. complete withdrawal from the plan without any risk cover.

During this period your plan will be in force and mortality and other charges will continue to be applied. In case of death during this period (i.e. before exercising any of the above options) the benefit

payable is the same as described earlier. Under single premium, you can exercise the Option 2 and discontinuance charge applicable as mentioned below.

What are your options to revive the plan?

You can revive your plan within 2 years from the date of discontinuance but before completion of first 5 plan years by -

- Simply paying the pending premium amount
- Begin the payment of premiums

Upon revival of the Plan within first 5 plan years, the discontinuance charges, if any, already deducted shall be added back to the discontinuance fund and the fund will be used to purchase units at the NAV as on the date of revival. You can revive your plan by paying all outstanding premiums along with Premium Allocation Charges and Policy Administration Charges. The revival is subject to satisfactory underwriting norms of the Company.

In case you wish to revive the plan after paying for 5 Plan years, you can revive your plan by paying all outstanding premiums along with Premium Allocation Charges and Policy Administration Charge. The revival is subject to satisfactory underwriting norms of the Company. During the period, the plan will continue to be in force and all the charges will be applicable.

Is there a grace period for missed premiums?

We provide you a grace period of 30 days for payment of all premiums under six monthly and yearly modes and 15 days under monthly mode. This period starts from the due date of each premium payment. All your plan benefits continue during this grace period.

16. Can you discontinue your plan?

Yes. You have the flexibility to discontinue your plan

Discontinuance within the first 5 Plan Years

If you have missed your premium or wish to discontinue within the first five years, you will have a

maximum period of 30 days from the receipt of the notice from us to use the following options -

Option 1: Revival of the plan within a period of two years, or

Option 2: Complete withdrawal from the plan without any risk cover

Discontinuance after the first 5 Plan Years

If you have missed your premium or wish to discontinue after first five plan years, you will have a maximum period of 30 days from the receipt of the notice from us to use the following options -

Option 1: Revival of the plan within a period of two years, or

Option 2: Complete withdrawal from the plan without any risk cover or

Option 3: Convert your plan into paid-up plan

Option 1: You choose to revive your plan

Within 5 Plan Years

You can revive your Plan within 2 years from the date of discontinuance by -

- Simply paying the pending premium amount
- Begin the payment of premiums

Upon revival of the Plan, the plan will restore the risk cover along with the investments made in the funds as chosen by you, out of discontinuance fund less the applicable charges. The all due and unpaid premiums without any interest less premium allocation charge and policy administration charges as applicable will be collected and invested in the chosen fund to purchase units at the NAV as on date of revival. The discontinue charges, if any, already deducted shall be added back to the discontinuance fund and the fund will be used to purchase units at the NAV as on the date of revival. The revival is subject to satisfactory underwriting norms of the Company.

After 5 Plan Years

You can revive your plan within 2 years from the date of discontinuance by -

- Simply paying the pending premium amount

- Begin the payment of premiums

In case, you wish to revive the plan after paying for 5 years, you can revive your plan by paying all outstanding premiums along with Premium Allocation Charges and Policy Administration Charges. The revival is subject to satisfactory underwriting norms of the Company. During this period, the plan will continue as in-force and all the charges will be applicable and all benefits will be paid till the expiry of the revival period.

Option 2: You wish to discontinue your plan Within 5 Plan Years

The Fund Value of the plan will be credited to the Discontinuance Fund. The amount of the Discontinued Fund will be refunded only upon the completion of 5 Plan years after deducting discontinuance charges on the date of discontinuance.

The income earned on the Fund Value will be apportioned to the Discontinued Fund. The current interest on the fund will be equal to 4% p.a. or as prescribed by IRDAI from time to time.

In case of the life assured's death after the Fund Value has been credited to the Discontinuance Fund, the Discontinuance Fund Value as on date of receiving intimation of death will be paid and the plan will be terminated.

After 5 Plan Years

In case you wish to discontinue the Plan after 5 Plan Years, the plan will be terminated after paying the Fund Value

Option 3: You wish to convert your plan into paid-up plan

In this case, the paid up sum assured will be reduced to the extent mentioned below -

Paid-up Sum Assured = (Total Number of Premiums paid/ Number of Premiums payable)*Sum Assured

During this period all the above mentioned charges and applicable taxes will be applicable. Mortality charges for paid-up plan is applicable on the sum at

risk which is equal to the paid-up sum assured less fund value

subject to sum at risk being positive. Switching and Partial Withdrawal is allowed if the plan is in paid-up status.

You may exercise option 3 only after the completion of 5 plan years.

17. Can you cancel your plan?

Yes, you can cancel your plan if you disagree with any of the terms and conditions within the first 15 days (free look period) for all channels except Distance Marketing or Electronic Mode where it is 30 days from receipt of your plan document. You can return the plan to us, while stating your specific objections.

Do you get any refund when you cancel your plan?

Yes. We will refund an amount equal to the -

Non-allocated premium plus charges levied by cancellation of units plus fund value at the date of cancellation

- Less: i. Pro-rata mortality charge
ii. Any stamp duty paid
iii. Expenses incurred on medical examination, if any.

This amount is adjusted by the fund performance between the date of receipt of premium and the date of cancellation.

18. How do we value units in your plan?

We will value your units in line with the unit linked guidelines issued by the IRDAI. As per the prevailing guidelines of the Authority, Unit Price will be calculated as follows-

Market value of the investment held by the fund

Plus: value of current assets

Less: value of current liabilities and provisions, if any,

Divided: by the number of units existing on the valuation date (before creation/ redemption of units).

When divided by the total number of units in the fund at the valuation date (before any units are

19. Allocation of premium to units

When and how does your premium get allocated to units in your plan?

The allotment of units to you, the policyholder will be done only after we receive the premium amount. The premium allocation to the units varies according to the following situations -

New Business	We will allocate new units on the day we receive premiums if we receive these before 3:00 p.m. They are allocated the next day if we receive them after 3:00 p.m.
Renewal Premiums	We will allocate the premium on the due date, whether or not it has been received before due date. (This assumes that the full premium is received on the due date). We will keep the renewal premiums received before the due date in the deposit account. It will not earn any returns until the renewal premium due date. On the due date, we will use the same for unit funds.

How do we value your units at the time of renewals and redemptions of your premiums?

We will value your units in line with the unit linked guidelines issued by the IRDAI.

For renewal premiums/ funds switch/maturity / surrender received till 3:00 p.m.	We will apply the closing unit price of the day on which your renewal premium/ funds switch/ maturity/ surrender is received. This can happen only if we receive it by 3.00 p.m. along with a local cheque or a demand draft payable at par at the place where the premium is received.
For renewal premiums/ funds switch/maturity / surrender received after 3:00 p.m.	We will apply the closing unit price of the next business day if we receive your renewal premiums/ maturity/ surrender after 3.00 p.m. This has to be accompanied with a local cheque or a demand draft payable at par at the place where the premium is received.
For outstation cheques/ demand drafts	We will apply the closing unit price of the day on which cheques/demand draft is realised if the cheque you issue for premium renewal is an outstation cheque/demand draft.

Note: We will not accept any amount less than the due regular/ limited premium payable stated in the contract.

20. Broad risks with your plan

Is your plan prone to risks? If yes, who bears the risk?

Yes your plan does carry risks.

- Linked insurance products are different from the traditional insurance products and are subject to the risk factors
- The premiums paid in unit linked insurance plans are subject to investment risks associated with capital markets. The unit price of the units may go up or down based on the performance of the

Fund. Other factors influencing the capital market may affect the unit price. Hence you, as the policyholder are responsible for all your decisions

- The premiums are subject to certain charges related to the premium paid
- There may be fluctuations in investment returns and a possibility of increase in charges. However, any increase in charges shall be subject to clearance from the Authority
- IndiaFirst Life Insurance Company Limited is the name of our insurance company. IndiaFirst Smart Save Plan is only the name of our plan and does not in any way indicate the quality of the plan, its future prospects or returns
- Please know the associated risks and applicable charges from your Insurance agent or the Intermediary or policy document issued by us

Do you get guaranteed returns from any of the funds mentioned in your plan?

21. What happens in case the life assured commits suicide?

If the life assured commits suicide, we will pay the death benefit, limited to the fund value as on date of death after adding back the charges recovered after date of death, to the Nominee/ Appointee / Legal Heir. It will not include the insured benefits. This applies if the death by suicide occurs within 12

months from the date of risk commencement or date of revival of this plan. This is irrespective of whether the life assured, was sane or insane at the time death.

22. You are prohibited from accepting rebate in any form:

Prohibition of Rebate: Section 41 of the Insurance Act, 1938 states as amended by Insurance Laws (Amendment) Act, 2015 states -

- No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectus or tables of the insurer.

Provided that acceptance by an insurance agent of commission in connection with a policy of life insurance taken out by himself on his own life shall not be deemed to be acceptance of a rebate of premium within the meaning of this sub-section if at the time of such acceptance the insurance agent satisfies the prescribed conditions establishing that he is a bonafide insurance agent employed by the insurer.

Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.

23. What happens in case of submission of information which is false or incorrect?

Indisputability Clause: Section 45 of the Insurance Act, 1938 as amended by Insurance Laws (Amendment) Act, 2015 states -

- No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from

the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.

- A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival, of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud:
- Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.
- Notwithstanding anything contained in sub-section (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer:
- Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.
- A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued:

- Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based:
- Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.
- Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

Disclaimer

Unit-linked life insurance products are different from the traditional insurance products and are subject to risk factors. Premiums paid in unit-linked life insurance policies are subject to investment risks associated with capital markets and NAVs of the units may go up or down, based on the performance of fund and factors influencing the capital market and the insured is responsible for his/her decisions.

IndiaFirst Life Insurance Company Limited is only name of the Insurance Company and IndiaFirst Smart Save Plan is only the name of the unit-linked life insurance contract and does not in any way indicate the quality of the contract, its future prospects, or returns. The various funds offered under this contract are the names of the funds and do not in any way indicate the quality of these plans, their future prospects and returns. Please know the associated risks and the applicable charges from your Insurance Agent or the Intermediary.

Under this plan, some benefits are guaranteed and some benefits are variable with returns based on the future performance of your Insurer carrying on life insurance business. If your policy offers guaranteed returns then these will be clearly marked "guaranteed" in the Sales/Benefit illustration table. If

your policy offers variable returns then the Sales/Benefit illustrations will show two different rates of assumed future investment returns. These assumed rates of return are not guaranteed and they

are not the upper or lower limits of what you might get back, as the value of your policy is dependent on a number of factors including future investment performance.
