*Under minor life assured, risk cover starts immediately. For minor life assured, either of the parent or legal guardian who has insurable interest on the minor life can be a proposer/policyholder who pays the premium. As and when the life assured attains majority, the policy will vest on the life assured.

On the death of the policyholder during minority of the life assured, the surviving parent or legal guardian who has insurable interest of the minor life will be the policyholder. In case there is no surviving parent or legal guardian and the policy has not acquired surrender value then the policy terminates else the policy will be continued as paid-up policy and proceeds will be paid as per policy terms and conditions.

3. What is the sum assured on Maturity in this policy?

The sum assured on maturity in the policy is as chosen by you at the inception of the policy and which is the minimum benefit payable at maturity.

Minimum Basic Sum Assured	Maximum Basic Sum Assured
₹ 1,50,000	No limit; subject to board approved underwriting policy

You can also opt for Waiver of Premium Rider for an enhanced benefit. Please refer to IndiaFirst Life Waiver of Premium Rider brochure for more details on the said rider.

4. What are the bonuses declared under this policy?

Your policy shall be eligible for Simple Reversionary Bonus and Terminal Bonus, if declared and Interim Bonus, if declared as applicable as per Board Approved Bonus Policy.

- **Simple Reversionary Bonus (SRB):** The Simple Reversionary Bonus, if declared by us will be calculated on the Guaranteed Sum Assured at Maturity. The Simple Reversionary Bonus rates

are not fixed or guaranteed and may change from time to time. However, once declared, they are then guaranteed. If the Policy is under Paid-Up Mode, no future simple reversionary bonus (if declared) will be added.

- **Terminal Bonus (TB):** Terminal Bonus, if declared, will be declared based on our investment experience and is at the discretion of the company. Terminal Bonus, if declared will be paid either on death or on maturity or on surrender as per terms and conditions of the policy. No Terminal Bonus (if declared) is payable if the Policy is under Paid-Up Mode.

5. What do you get at the end of the policy term (maturity benefit)?

You stand to receive the following at maturity: -

- Guaranteed Sum Assured at Maturity; plus
- Accrued Simple Reversionary Bonuses, if declared; plus
- Terminal Bonus, if declared

This is also known as maturity benefit in the policy.

On payment of the maturity benefit, the policy will terminate and no more benefits will be payable.

6. What is the survival benefit under this policy?

You will receive your survival benefit as per table below: -

Premium Paying Term	Payout Year (103% of one annualized premium is paid at the end of this policy year)
5 years	4th year
6 years	5th year
7 years	6th year
8 years	7th year

You have an option to use this survival benefit to pay the premium of your policy. Sum Assured at Maturity amount selected by you at outset will remain guaranteed even after the survival benefit and will not be reduced to the extent of amount paid back to you. You need to choose this option at inception.

7. What happens in case of life assured's demise in this policy (death benefit)?

In the unfortunate event of life assured's demise during the term of the policy, Death Benefit is paid out to nominee either as lumpsum or as a monthly income over next 5/10/15 years.

Death Benefit will be higher of:

- Sum Assured on Death + accrued Simple reversionary bonus, if declared + Terminal bonus, if declared or
- 105% of total premiums paid excluding applicable taxes*, rider premium if any and underwriting extra premium, if any, till the date of death

Sum Assured on Death is highest of:

- 10 times of Annualized Premium, or
- Absolute amount assured to be paid on death
- minimum guaranteed Sum Assured on Maturity

Where Absolute amount assured to be paid on death and minimum guaranteed Sum Assured on maturity is the guaranteed sum assured on maturity selected by you at the inception of the policy.

In case of death benefit payout in instalments; the monthly instalment amount will be calculated by multiplying the death benefit by annuity factor, where annuity factor will be arrived on the basis of prevailing SBI savings bank interest rate as on date of death. Once the instalment payment starts, this payment remains level throughout the instalment period. The prevailing SBI savings bank interest rate is subject to review at the end of every financial year. The prevailing interest rate will be decided on 31st March every year.

8. Are there any Riders available in this policy?

Yes, you have an option to opt for IndiaFirst Life Waiver of Premium (WOP) Rider (UIN: 143B017V01). This rider when opted, supports you, by waiving off the future premiums of your base policy in case the policyholder/ life assured suffers from death, accidental total permanent disability or critical illnesses as defined under the rider basis the rider option as chosen. The options for policyholder/ life assured are as mentioned below.

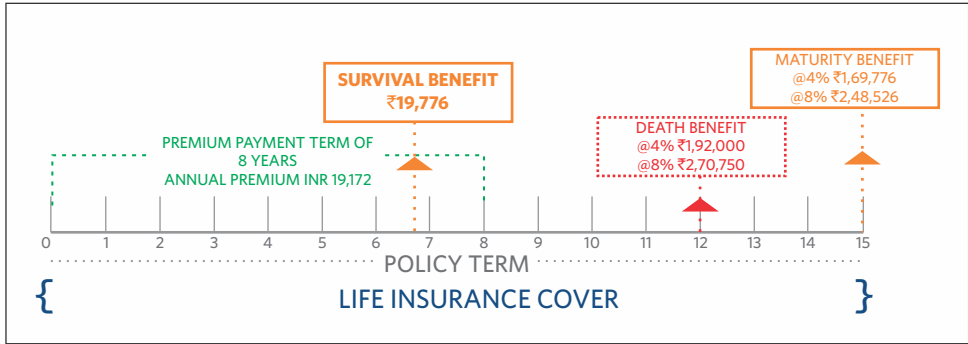

OPTION	BENEFIT
Waiver of Premium on Death	This option provides benefit of waving all future premiums due and payable under the base policy on Death of the Policyholder (only when life assured and Policy Holder are different individuals under base policy), subject to rider and base policy being in force.
Waiver of Premium on Accidental Total Permanent Disability or (diagnosis of) Critical Illness	This option provides the benefit of waving all future premiums due and payable under the base policy on either or simultaneous happening of the following events; Accidental Total Permanent Disability of the rider life assured or on the confirmed diagnosis of the rider life assured suffering from any one of the critical illnesses covered under the rider, subject to rider and base policy being in force.
Waiver of Premium on Death or Accidental Total Permanent Disability or Critical Illness	<p>This option provides the benefit of waving all future premiums due and payable under the base policy on earlier happening of either of the following events - Death of the rider life assured or Accidental Total Permanent Disability of rider life assured or on the confirmed diagnosis of the rider life assured suffering from any one of the Critical Illnesses covered under the rider, subject to rider and base policy being in force.</p> <p>To opt for this option, life assured and Policy Holder should be different individuals under base policy</p>

9. How does this policy work?

We have explained the working of the policy with a sample illustration below.

Mr. Kumar, 40 years bought the IndiaFirst Life Smart Pay Plan for a policy term of 15 years. He paid the Annual premium is ₹19,200 (exclusive of taxes) for the premium payment term of 8 years and a Guaranteed Sum Assured at Maturity of ₹ 150,000. Just before the last year premium payment, Kumar will receive the Survival benefit of ₹19,776; which is nothing but 103% of his annual premium. At the end of the plan term, he will receive the Maturity benefit @4% of ₹1,69,776 or Maturity benefit @8% of ₹2,48,526. Even in case of his death during the policy term, his loved ones are safeguarded with the life cover. Kumar can opt to receive this death benefit in the policy as a lump sum or an installment benefit over 5/10/15 years.

10. What are the tax benefits in this policy?

Tax benefits may be available on premiums paid and benefits receivable as per prevailing Income Tax Laws. These are subject to change from time to time as per the Government Tax laws. Please consult your tax consultant before purchasing this policy.

11. Can I get a loan in this policy?

Yes, you may benefit from a loan facility under this plan.

The amount of the loan that you may avail at any point of time will depend on the surrender value. You may avail of a loan amount up to 90% of the available surrender value. The minimum loan amount should be Rs.1,000. We will charge interest at a rate of 10% per annum which may be revised by us from time to time subject to IRDAI approval.. When the loan with accrued interest exceeds the surrender value, the policy will foreclose and outstanding loan along with accrued interest will be recovered from surrender proceeds. Loan outstanding along with interest, if any will be recovered from death/maturity proceeds in case if it is not repaid before the event of death or maturity.

12. Is there any high sum assured discount in this policy?

Yes, there is a premium discount if you opt for higher sum assured as per below table: -

Sum Assured on maturity Band	Discount % on Premium
1,50,000 to < 2,00,000	Nil
2,00,000 to <3,00,000	1%
3,00,000 to <5,00,000	2%
5,00,000 to <10,00,000	3%
10,00,000 and above	4%

13. Is there a grace period for missed premiums?

We provide you with a grace period which is the time provided for payment of premium from the premium due date during which the policy is considered to be in-force with the risk cover. This policy has a grace period of 30 days for yearly, half-yearly and quarterly frequencies and 15 days for monthly frequency from the premium due date. In case of death of the life assured during this period, death benefit after deducting due premiums before date of occurrence of death, will be paid to the nominee(s)/appointee/legal heir.

14. What is the Life cover continuance benefit in this plan?

Your policy will have life cover continuance benefit if the policy has acquired paid up value.

Under this benefit; if you miss to pay premium for one policy year after your policy acquires paid up value; the death benefits under the policy will continue as per the in-force policy for one year from the date of "First Unpaid Premium". During this period no simple reversionary bonus (if declared) will be paid for the year in which annual premium due for that year has not been paid.

Customer will have an option to further extend the benefit of "Life Cover Continuance Benefit" if he/she pays premium with applicable interest within one year from date of "First Unpaid Premium." On such payment, Life cover continuance benefit will be applicable, for one year from the revised "Unpaid Premium" date. You will also receive reversionary bonus, if declared for the year for which you paid the due premium.

If you do not pay premium within 12 months from the date of "First Unpaid Premium" then the death benefit will be reduced as per the reduced paid up policy.

15. What happens in case you miss paying the premiums?

In the event of non-payment of premium due under the policy within the grace period, the policy will lapse if the policy has not acquired a guaranteed surrender value. The risk cover will cease, and no further benefits will be payable in case of a lapsed policy.

The policy will lapse if less than two full years' premiums have been paid.

However, you can revive your lapsed policy within the revival period. You can see further sections below on Revival for more information.

In case of non-payment of premium before the expiry of grace period, policy will acquire paid-up value provided at least two (2) full years premium have been paid.

If policy is lapsed and is not revived during the revival period, it will be foreclosed without paying any benefit after expiry of the revival period.

Once a policy becomes paid-up:

- **Death Benefit:**
 - Within one year from the date of first unpaid premium - Death benefits under the policy will continue as per the in-force policy as mentioned in point 14 above

- If Death happens after One Year from the date of first unpaid premium - Death benefit would be the Reduced paid-up Sum Assured on death plus accrued simple Reversionary Bonus (if declared) plus terminal bonus, if declared* till the date of reduced paid-up

Where, Reduced paid-up Sum Assured on death is defined as:

Sum Assured on Death as on the date of policy being made paid-up * (Total numbers of premiums paid / Total Number of premiums payable over the policy term)

- **Maturity Benefit:**

At the end of policy term, you will receive Reduced paid-up Sum Assured on maturity plus accrued simple Reversionary Bonus, if declared, plus terminal bonus, if declared till the date of reduced paid-up less survival benefit amount paid if any.

Where, Reduced paid-up Sum Assured on maturity is defined as:

(guaranteed Sum Assured on maturity plus survival benefit) x (Total numbers of premiums paid)/(Total Number of premiums payable over the policy term)

Policy will not be eligible for any future simple reversionary bonuses (if declared) once it has been converted into a paid-up policy.

What are your options to revive the policy?

You may revive your policy within a specified period by -

- Simply paying the remaining premium(s) along with interest from the due date of first unpaid premium

You may revive your policy within the revival period of five years from the due date of the first unpaid premium but before the maturity date. Upon revival of the policy within the revival period, all benefits as per T&C will be restored as per in-force policy. The revival is subject to satisfactory medical and financial underwriting.

If policy in Reduced Paid Up mode is not revived during the revival period, it will continue in the reduced paid up mode until maturity or death or surrender of the policy.

Note: The current interest charged for delay in premium payment is 9% p.a. which may be revised every financial year subject to prior approval from IRDAI.

16. Can you surrender your policy?

It is advisable to continue your policy to enjoy full benefits of your policy. However, we understand that in certain circumstances you may want to surrender your policy. The policy will acquire surrender value after 2 full years' premiums have been paid.

At the time of surrender higher of Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV) will be payable. The surrender value payable will vary by policy term and policy year of surrender.

The GSV factors are dependent upon policy year of surrender and policy term. There are two sets of GSV factors. One set of GSV factors will be applicable on total premiums paid and other set of GSV factors will be applicable on any subsisting simple reversionary bonus (if declared) accrued till date of surrender.

GSV = GSV factor for premium * total premium paid excluding applicable taxes, rider premium if any and extra premium, if any; Plus

GSV factor for simple reversionary bonus * accrued simple reversionary bonus (if declared); Less survival benefit of 103% of Annualised premium paid, if any till the date of surrender.

The SSV will be = {(Total No of premiums paid/Total No of premiums payable during the policy term) x (Sum Assured plus survival benefit of 103% of Annualised premium payable under the policy);

Less, Survival benefit of 103% of Annualised premium paid, if any, till the date of surrender;

Plus, Accrued simple Reversionary Bonus (if declared)} multiplied by the SSV factor prevailing at the time of surrender.

The SSV factor will be determined by us from time to time subject to prior Regulatory approval.

GSV factors are mentioned in Annexure I

17. What is the Free Look Period available in your policy?

You can return your policy within the Free Look period;

In case you do not agree to the any policy terms and conditions, you have the option of returning the policy to us stating the reasons thereof, within 15 days from the date of receipt of the policy. The free-look period for policies purchased through distance marketing or electronic mode will be 30 days.

Do you get any refund when you cancel your policy?

Yes. We will refund an amount equal to the -
Premium paid

Less: i. Pro-rata risk premium and rider premium, if any for the time the policy was in force

Less ii. Any stamp duty paid

Less iii. Expenses incurred on medical examination, if any

Distance Marketing includes every activity of solicitation (including lead generation) and sale of insurance products through the following modes: (i) Voice mode, which includes telephone calling; (ii) Short Messaging service (SMS); (iii) Electronic mode which includes e-mail, internet and interactive television (DTH); (iv) Physical mode which includes direct postal mail and newspaper & magazine inserts; and, (v) Solicitation through any means of communication other than in person.

18. What happens in case the life assured commits suicide (suicide clause)?

In case of death due to suicide within 12 months from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the policyholder shall be entitled to at least 80% of the total premiums paid till the date of death or the surrender value available as on the date of death whichever is higher, provided the policy is in force.

Fraud/ Misstatement would be dealt with in accordance with provisions of Section 45 of the Insurance Act 1938, as amended from time to time.

Section 45 of the Insurance Act 1938, as amended from time to time states

- 1) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
- 2) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.
- 3) Notwithstanding anything contained in sub-section (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer: Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.
- 4) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based: Provided further that in

case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.

- 5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the Life Insured was incorrectly stated in the proposal.

23. About IndiaFirst Life Insurance

We've had Bank of Baroda, Andhra Bank (now, Union Bank of India) and Legal & General as our founding partners. After journeying with us through our years of growth, Legal & General sold its stake in February 2019 to Carmel Point Investments India Private Limited, a body corporate incorporated under the laws of Mauritius and owned by private equity funds managed by Warburg Pincus LLC, New York, United States. This is the first deal wherein a private equity fund has taken an interest in a life insurance company. In April 2020, Andhra Bank was amalgamated into The Union Bank of India. Our shareholding pattern as of today stands at: Bank of Baroda - 44%, Union Bank of India - 30% and Carmel Point Investments India Private Limited - 26%.
